

Revelations for Self-Actualization

Attuning to the Loving Authority of Self

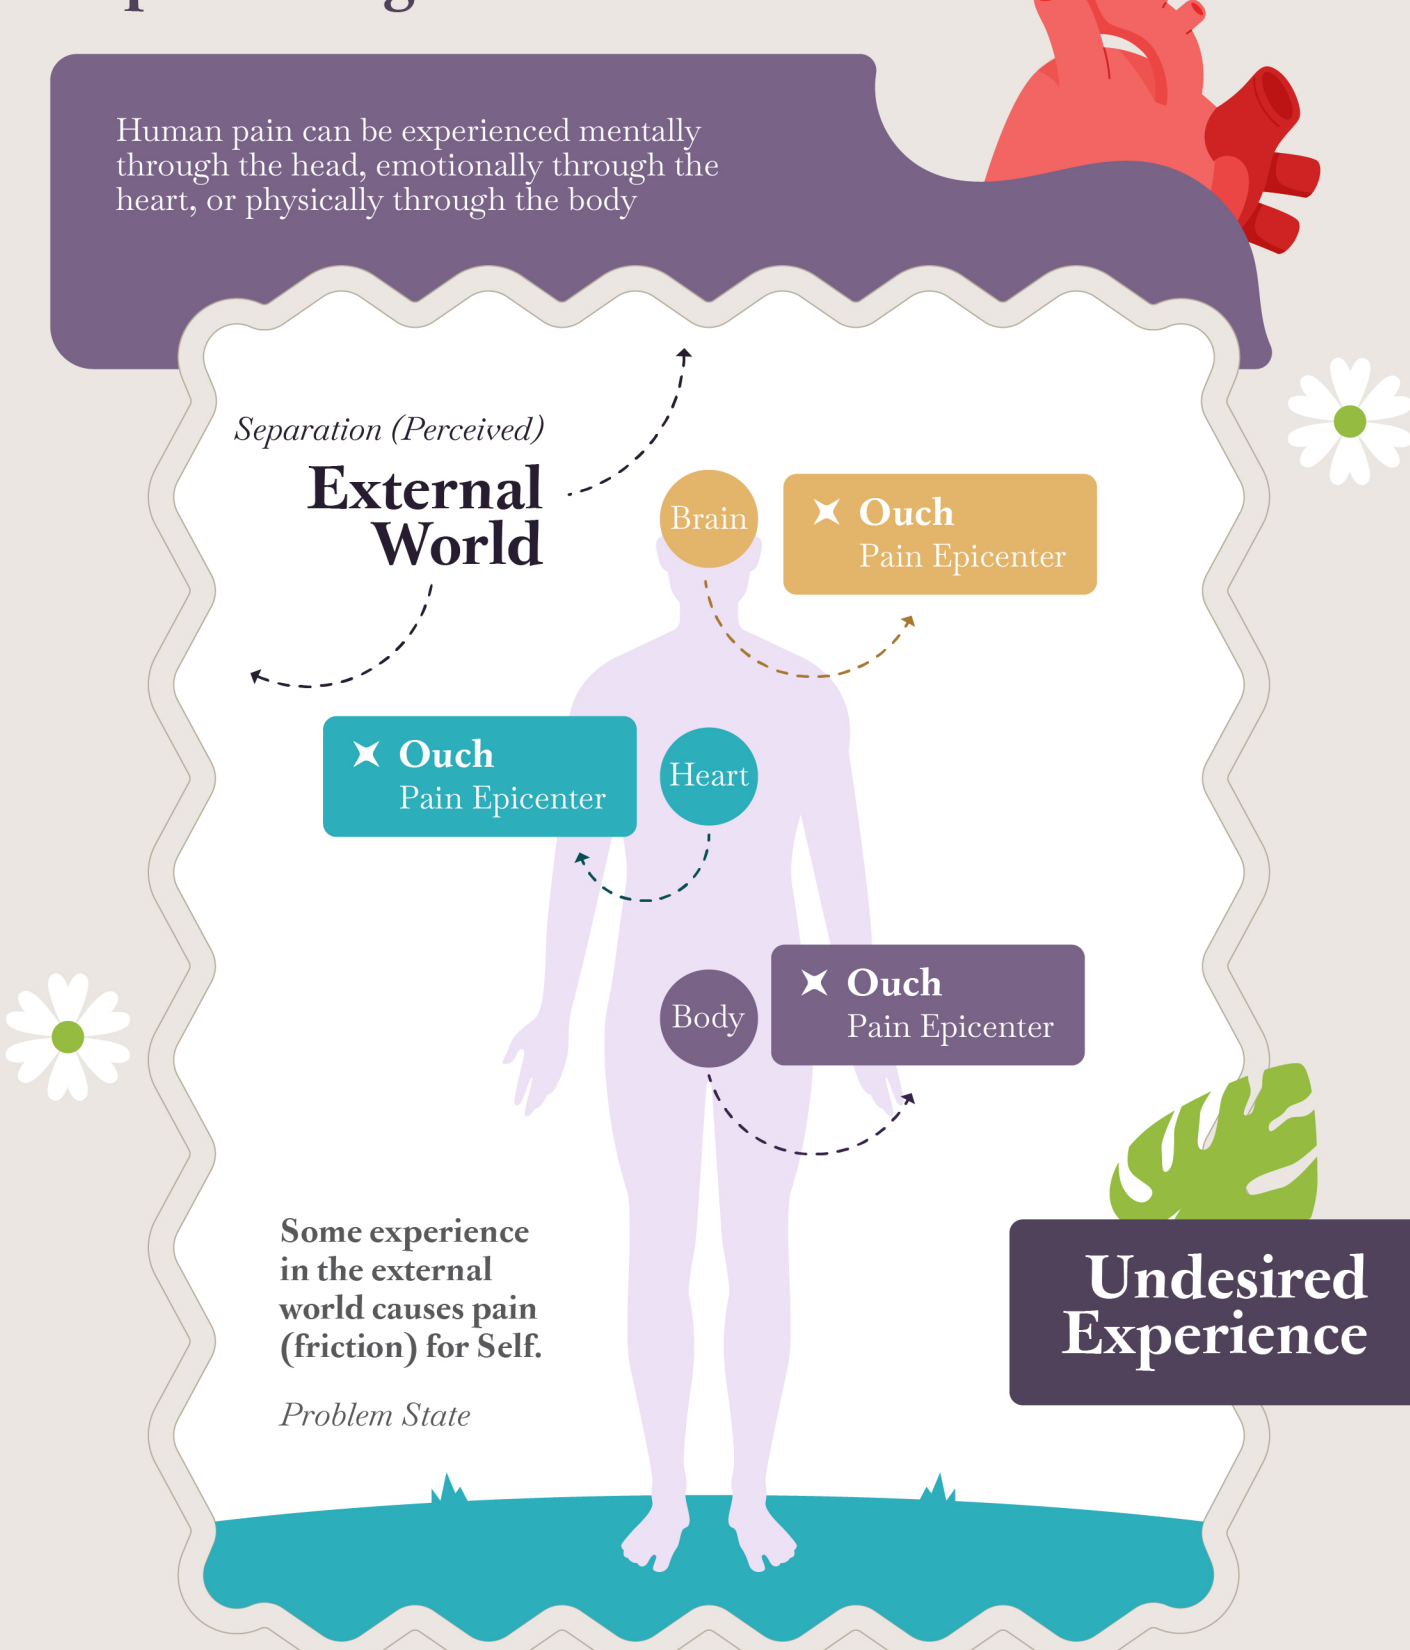

The Human Head-Heart-Body is a loving, synergistic System of Connection

Stage 1 *Unconscious Reactor*

Human Being Experiencing World

Human experiencing world as separate entity undergoes painful experiences, or Undesired Experiences

Human pain can be experienced mentally through the head, emotionally through the heart, or physically through the body

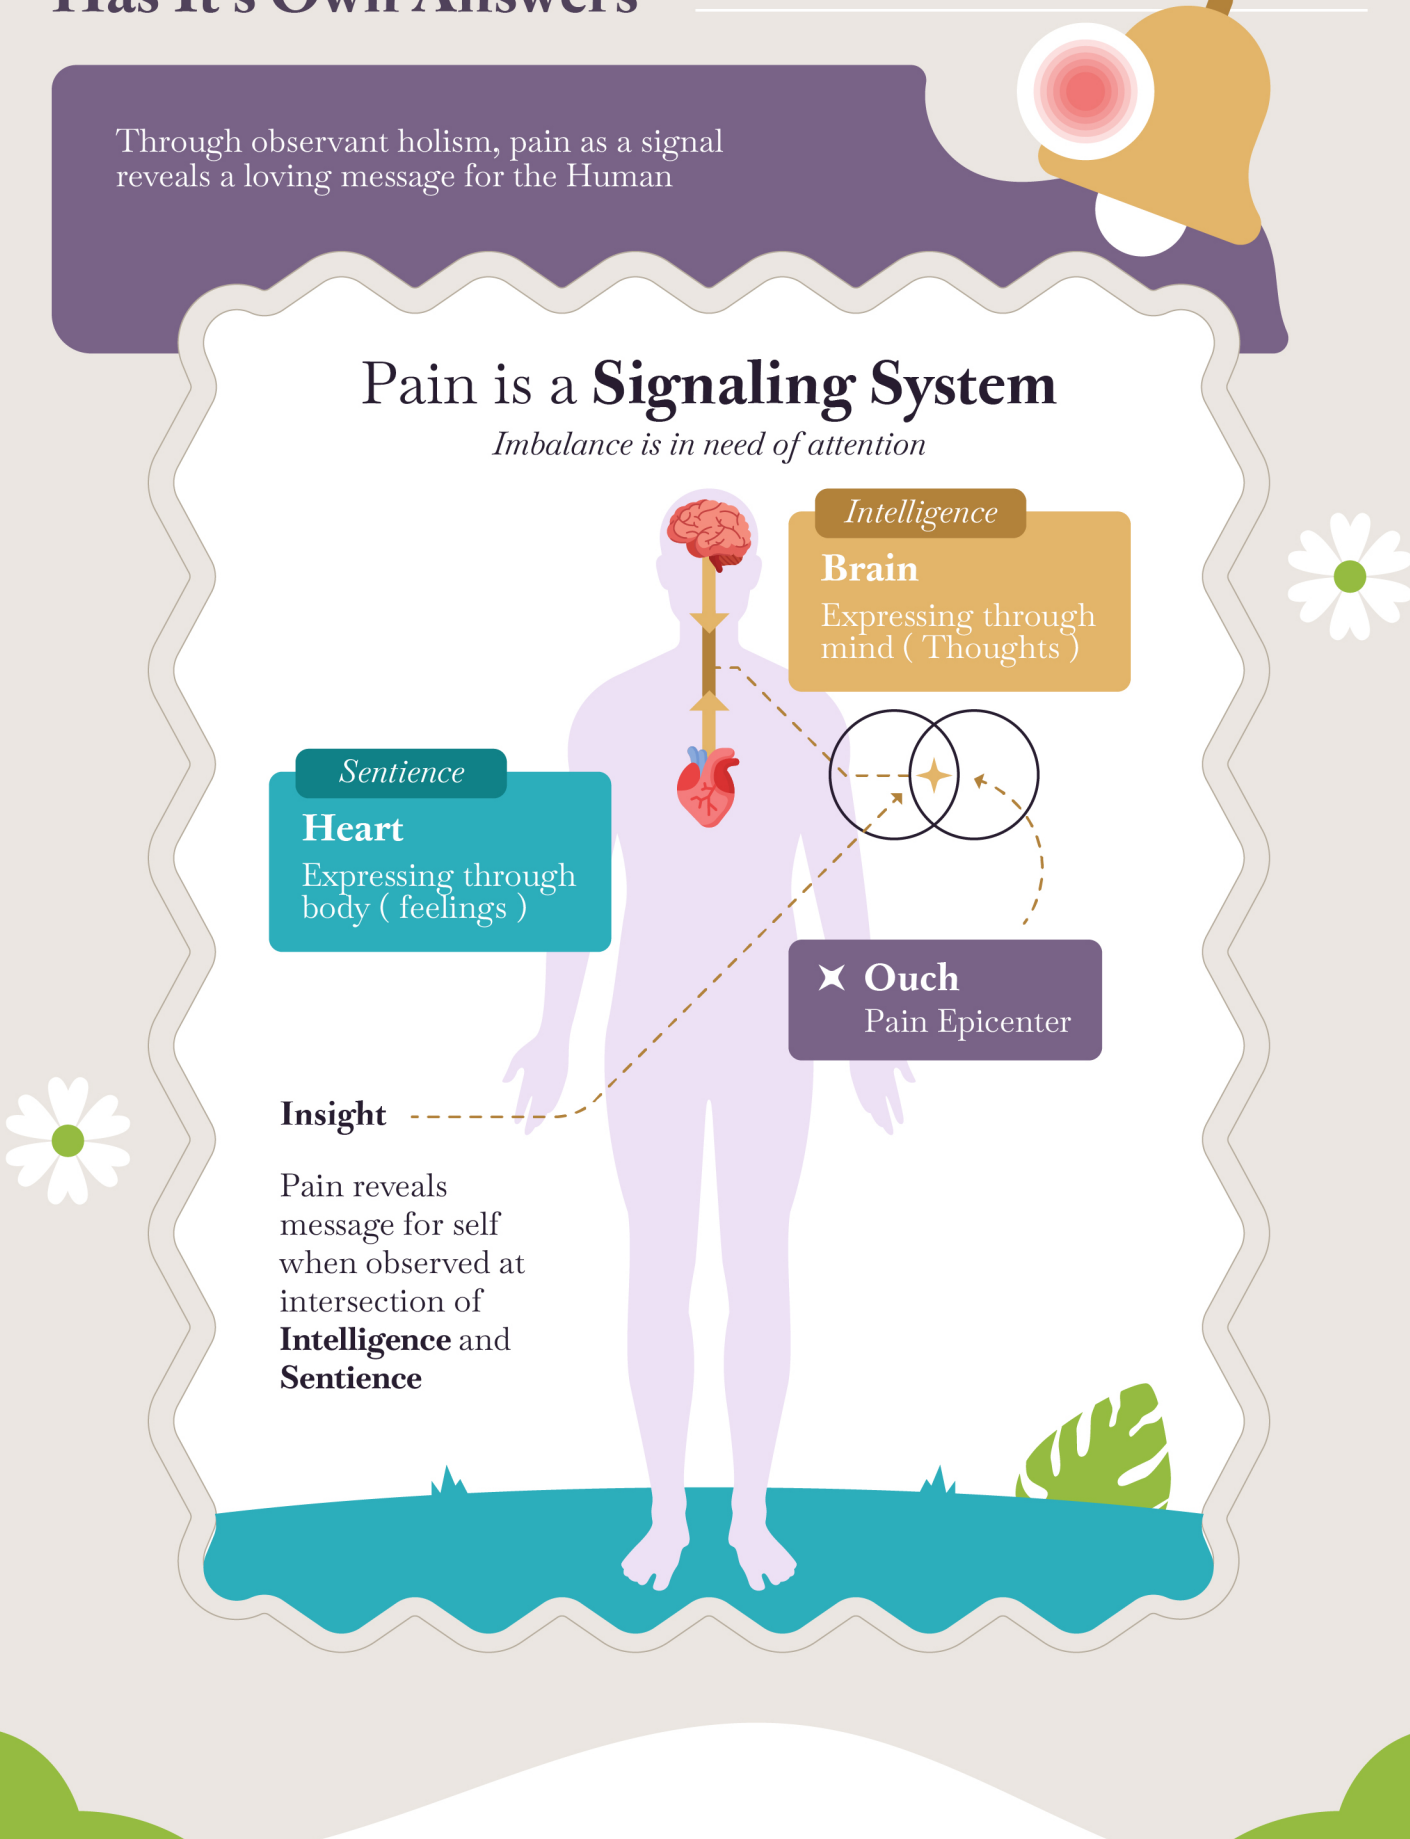

Stage 2 *Conscious Listener*

Human Being Has It's Own Answers

Pain is a signaling system, cueing an imbalance in need of the Human's attention

Through observant holism, pain as a signal reveals a loving message for the Human

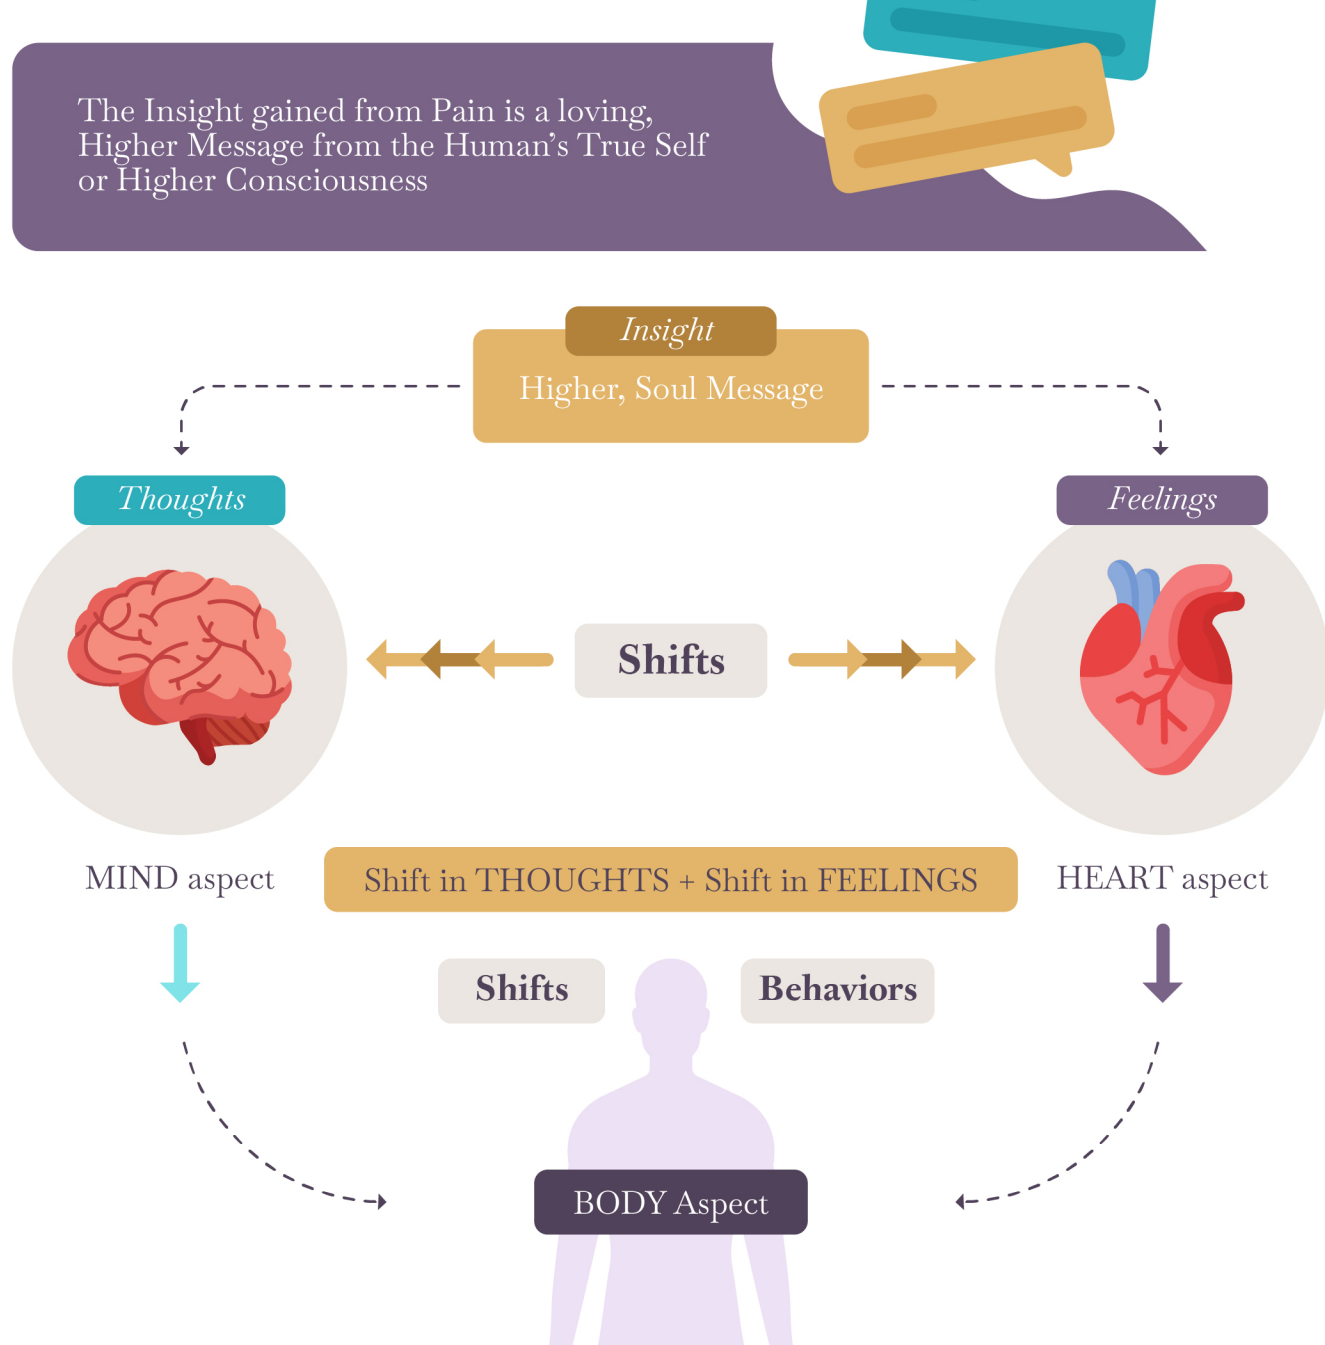

Stage 3 *Conscious Attuner*

Human Transforms From Within

Conscious Humans attune to their internal signals

The Insight gained from Pain is a loving, Higher Message from the Human's True Self or Higher Consciousness

Stage 4 *Conscious Creator*

Human Being Self-Actualizes Higher State

Human experiencing world as One connected Living organism evolving into Conscious Creator of flow experiences, or Desired Experiences

Desired Experiences occur and expand as Human falls into rhythm with True Self's higher, most Loving Expression
